

YOU ARE LOOKING FOR

- someone who can offer you solutions across the border from one hand, to avoid expensive misunderstandings.
- someone who does not only have limited knowledge of the current tax rules but finds out planned changes in due time.
- someone who really understands the leasing business and whom you can rely on.
- someone who you can ask, what kind of opportunities for optimization exist concerning your planned leasing transaction.

YOUR SEARCH IS OVER

You would like to expand your leasing business in **Hungary, the Czech Republic or Slovakia.**

We support you from the first idea of establishing a **subsidiary** up to the **implementation** of the leasing contract concluded in the accounting system.

We elaborate the key **tax conditions and requirements** and optimize the various leasing contract schemes in the relevant countries.

We process the information received from our foreign **colleagues** so that you can use this information directly.

We provide you with all **information on changes**, which you need to be able to react to the modified conditions quickly.
