

YOU ARE LOOKING FOR

- someone who secures that you comply with the tax requirements.
- someone who knows you and informs you when tax law changes can be relevant for you.
- someone who represents you in front of the tax authority on equal terms.
- someone who helps you further with your structuring ideas in the field of tax law.
- someone who does not only say „it does not work“ but offers you alternative solutions.

YOUR SEARCH IS OVER

You would like to keep your mind free of law gazettes and judicature and focus on your **core business**.

We continuously inform you of changes in our **Tax News** and contact you if you are affected by the changes.

We advise you actively concerning your situation in the framework of a yearly **tax CHECK-UP**.

We represent you in the case of all kinds of **tax authority audits**.

We prepare the required tax returns, reporting etc. and we ensure your **compliance** with the relevant tax law.

We support your plans and ideas; we try to offer you a **solution from one hand**, also across the border.
